

OPTIMAL CLEANING PERFORMANCE

MERIDIAN IG-5

NE9865

Spend more time enjoying your in-ground pool and less time cleaning it with the Meridian Robotic Pool Cleaner.

Simply submerge in the pool, plug it in, let it go, and start relaxing poolside.

Designed for in-ground pools to leave your pool sparkling clean in two hours. Using Focus Flow™ cleaning technology this automated cleaner will clean and vacuum your pool floor, walls, and waterline.

INCLUDES: Heavy-duty 60-ft cord with swivel that functions as a diagnostic tool for remote troubleshooting.

TOP-LOADING FILTER

Locks-in dirt and debris leaving your swimming pool extremely clean.

EFFORTLESS CLEANING

Scrubs and vacuums your pool floor, walls, and waterline, leaving your pool sparkling clean.

DIAGNOSTIC SWIVEL CORD

A light will come on and tell you if the issue is coming from the power source or from the pool cleaner.
