16 oz. _

SHIMMER PLUS

This product is a high power super concentrated polymer coagulant. It clears cloudy water quickly; increases filter performance; and will not affect chemical balance. Part two of this product is a concentrated stain and scale preventer which inhibits scale and staining in spas and prevents calcium buildup on spa surfaces.

DIRECTIONS

Add approximately 1 ounce of this product for the average 400 to 500 gallon spa. Add while the water is circulating. Use once each week for proper maintenance and stain and scale prevention.

This product should always be added at the time fresh water is added to a spa or whenever the spa is drained and filled.

Add other chemicals after this product has been used and sanitize according to label directions.

CAUTION

This product may be irritating to eyes avoid contact with eyes, skin or clothing.

**FIRST AID
(Practical Treatment)**

EYE CONTACT: Immediately flush with cool water for at least 15 minutes. Get medical attention. **SKIN**

CONTACT: Wash thoroughly with cool water for 15 minutes. If irritation develops, call a physician.
