

Super Phosphate Remover

• Strongest Phosphate Remover On The Market

- Contains No Phosphorous Which Contributes To Algae Growth
- 1 Quart Will Remove Up To 10,000 ppb Of Phosphates
- Swim Immediately After Application
- 100% Natural And Environmentally Safe

KEEP OUT OF REACH OF CHILDREN
CAUTION

NET CONTENTS
32 FL. OZ (946 ml)

Super Phosphate Remover is a non-toxic, highly concentrated solution formulated to eliminate phosphates from your swimming pool. Phosphates act as a food source for algae and encourage annoying algae growth. One quart per 10,000 gallons of pool water will remove up to 10,000 ppb of phosphates.

DIRECTIONS FOR USE

1. Clean or backwash filter and balance pool water before application.
2. Test pool water for phosphate levels with a phosphate test kit.
3. Turn on the circulation system. Follow the chart below and slowly add required amount of this product evenly around the perimeter of the pool. Do not add more than 8 oz. at one time.
4. The phosphate fallout may increase your filter's pressure. Clean or backwash your filter regularly.

NOTE: This product may cause clouding of the pool water. This is a normal reaction caused by the product bonding with the phosphates. Your filtration system will remove the bonded phosphates from the swimming pool. Allow several hours for the pool to clear.

DOSAGE

Pool Capacity	Amount of Phosphates in your pool (ppb)			
	250	500	1500	3000
5,000 gal.	.4 oz.	.8 oz.	2.4 oz.	4.8 oz.
10,000 gal.	.8 oz.	1.6 oz.	4.8 oz.	9.6 oz.
15,000 gal.	1.2 oz.	2.4 oz.	7.2 oz.	14.4 oz.
20,000 gal.	1.6 oz.	3.2 oz.	9.6 oz.	19.2 oz.

FIRST AID

If In Eyes: Flush thoroughly with water for 5 minutes. If irritation develops, contact a physician.

If On Skin: Wash contacted area with soap and water. Seek medical attention if irritation develops.

If Swallowed: Drink several glasses of water. Obtain medical attention.

If Inhaled: Remove to fresh air. Obtain medical attention.

IMPORTANT: Although this product is non-toxic, gloves and appropriate eye protection are recommended when handling.
